

NCMA Student Designed Mask Contest

Draw directly on the template below or screenshot as a layer into a digital design to be sure your design is 5x7 inches and no less than 300 dpi. Refer to the image on the right to see how the design needs to allow for a "bleed" so it wraps around the back of the mask.

Explore guidelines and resources to inspire your design at <https://bit.ly/NCMAmasks>. Enter work by January 1, 2021
